

Vermilion County Soccer Club (VCSC) is the traveling competitive arm of Danville Area Soccer Association (DASA). VCSC provides a higher level of play against teams throughout central Illinois in league play for the Central Illinois Youth Soccer League www.ciysl.com.

VCSC traveling program is dedicated to an affordable, friendly soccer experience for every participant and family; to create an opportunity for every player to play on a team at a level consistent with their ability and commitment, and to provide an environment for players to improve their playing skills and ability.

Our mission is to develop player's skill, instill values, promote team work and passion for the game. The club has boys and girls teams that play in the fall and spring. Teams also travel to tournaments outside their usual league play.

Team membership is by tryout. The number of teams and the age ranges vary so it is best to stay in touch with the director of the league.

Coaches are interested and involved community members. Anyone with such soccer skills and devotion is welcome to volunteer, pending league approvals.

For more information or questions, interested players, families and coaches, please contact Adnan Abdelghani at 213-1797 or via email at adnan@danvillesoccer.org

Best Regards,
VCSC
