- This league is for fun and exercise only. There will be no fighting, swearing, or arguing. This will be strictly enforced. Anyone who violates the rules will be asked to leave and not return. There will be **NO SECOND CHANCES! And no refunds**

## SPECIAL LEAGUE RULES:

- **THE Y IS ALLOWING US TO USE THEIR FACILITY AFTER HOURS. THERE WILL BE SOME SPECIFIC RULES THAT WE MUST FOLLOW:**
  - All players/spectators must check in at the front desk
  - All players/spectators must remain in the gym area. All other areas of the Y will be locked up and are not for our use (The small gym is also off limits)!
  - There will be no loitering allowed. Anyone there for the soccer league must be in the gym or gym area at all times.
  - Players can warm up in the hallway by simply passing the ball back and forth. No goofing off will be tolerated and the ball should never leave the floor.

Please remember that this is our only opportunity to play locally over the winter. The YMCA is NOT a hang-out on Sunday nights. We are to be there for our games and that is all. If spectators come to watch, they are welcome but expected to follow these rules as well. Loitering in the hallway and front lobby will not be allowed. If you come early or stay late to watch a game, that is fine but you **MUST** remain in the gym, watching the game.
